About Me

Hello, my name is Mr. Gray and I have been a teacher for over 27 years. This is my 8th year here at Kohl! I grew up in California but my family has lived here in Colorado for 19 years. I have a wonderful wife, Sara, and a very large family in the area that spends a great deal of time together....let's not forget our dog Junior - a Chihuahua! I am certainly excited to be your child's fifth grade teacher and I look forward to another exciting year!

Welcome to the Family!
