

Meet

Mr. Posey

About Me

I have lived in Colorado my whole life and grew up in the small town of Frederick. I have always been interested in art and music, and have worked in the arts in many ways over the years. In my own time, I make acrylic paintings and run an online business through which I sell polymer clay figures of cartoon and pop-culture characters. I also like to watch classic movies, play the piano and guitar, and read science-fiction books.

Education

- BA in Art Education from the University of Northern Colorado
- Master's in Elementary Education from the University of Northern Colorado
