Mrs. Mischke

About Me

Hello, my name is Mrs. Mischke and I teach PE. This is my 22nd year of teaching and my 19th year at Kohl! Before teaching PE, I was a 5th grade teacher here at Kohl for 4 years. I am a Colorado native and grew up in Longmont in a large, active family. I started participating in sports when I was 5 years old and continue to be active today. I have two teenage kids and Mr. Mischke is a teacher as well. So, when we are not teaching, we love watching our kids play sports and spend time with our dog, Mack.
