

Meet

Ms. Sbrocca

About Me

Hello! My name is Mila Sbrocca and I am lucky enough to be Kohl Elementary School's Innovation Engineer. :) That means I run the library and teach classes to all students around literacy and research. I also run our Makerspace and teach classes to all students around computer science, coding, and engineering. It's an awesome job.

Education

- BVSD & CU graduate
- Masters degrees
 - Curriculum & Instruction
 - Library Science
