About Me

Hello, my name is Ms. Emily and I am Kohl's resident speech-language pathologist (SLP). This is my 2nd year here at Kohl! I grew up in South Florida but I have lived on the front range for the last 11 years. When I am not at Kohl working with kiddos, I enjoy going on adventures (rock climbing, hiking, and traveling) with my significant other and 6-year-old border collie mutt, Lula. I am so excited to be the SLP here at Kohl again and look forward to all the new things I will learn from my students this year!
