## Traci Hagie

### About Me

Hi! My name is Traci Hagie. I have been working in the Broomfield schools since 2005 and have been in the mental health field for 22 years. My current role is Mental Health Advocate for the East Network. I love working for BVSD and am excited to be supporting Kohl Elementary again this year. In my early years I moved around a lot and have been living in Colorado since 1998. In my spare time I love spending time with my family, friends and dogs. I also love skiing, kayaking, reading and traveling.

### Education

- MA in Counseling and Counselor Education from University of Colorado Denver
- BA in Psychology from James Madison University
