

# General Instructions for Online Schooling

- You are all amazing learners! This is a big change for us, but we can do hard things! This will stretch your brains and make you a better student. We are proud of you and can't wait to see the work you'll be doing.
- You can contact us through email. Mrs. Higgs: ahiggs@dsdmail.net, Mr. Cassler: [mcassler@dsdmail.net](mailto:mcassler@dsdmail.net) and Mrs. Wetsel: bwetsel@dsdmail.net. We will be accessible 8:30-3:30 Monday-Friday.
- The created calendar is a way for you to keep on task. Check off each item as you complete. Your wise parents are welcome to help you with anything you need. Please know that we are here for you as well. We will be using the online resources we are already used to using so there will be no surprises there.
- You will use our email, Office 365 and Teams to submit some your tasks and to ask any questions you have about the assigned work.
- We are required to take 'attendance' during these days. Attendance data will be gathered at the end of each week. Third grade will take attendance by requiring students to 'check in' through email or Teams with their teacher, EVERY DAY. This check in can be a simple 'hello' or a question you may have about work completion. So long as you check in each day, you will not be considered absent.
- If there is a password or login you cannot remember please contact us asap and we will find that info for you. Write your passwords in a safe place.
- Students are required to spend 40 minutes in each of the 3 subject areas, daily. Reading minutes are above and beyond the 40 minutes of academic study.
- Reading of any kind counts towards those daily minutes – that includes Newsela articles for your writing practice, McGraw-Hill stories and any other online reading materials we'll be using.
