

Good evening everyone,

Well it has been an unusual past week. As we prepare for our new normal, for the time being, I wanted to reach out to share what the administrative team has been working on.

The Region #14 distance learning waiver was approved by the state today. This approval means we can count extended leave days as “regular” school days. Administrators and teachers will be working over the next few days to plan for what that will look like for students. Please be patient and we will be in touch shortly with specifics.

In the meantime, if there are students in need of **essential items** to continue their learning, such as Chromebooks, musical instruments or art projects, we will be providing an opportunity for drive up and the pick-up of these items. Please see below to help us prepare and gather the items for a **Wednesday pick up between 9:00 am and 12:00 pm at Nonnewaug High School**. Locations for pick up are listed below.

If you are in need of:

- Chromebook please email Mr. Curtin at dcurtin@ctreg14.org - Pick up in the main entrance
- Band/orchestra instrument email Dr. Bouchard at jbouchard@ctreg14.org - Pick up outside the band room
- Art project email Mrs. Desjardins at ldesjardins@ctreg14.org - Pick up around back outside the art room
- Anything else you feel is essential email tfernandez@ctreg14.org - If deemed essential, pick up in the main entrance. (Gym clothes are not essential and the lunch you left behind is not essential either)

Please **email the appropriate person prior to 8:00 am on Wednesday morning, March 18th**. Be sure to include where in the building specifically these items are. We will collect the items and have them waiting for you. Again, items essential for learning is all we will be able to offer.

Thank you for your time and support.

Sincerely,

Pam Sordi
Principal
Nonnewaug High School
