13th March 2020

Dear Parent/Carer

As the situation around COVID-19 escalates nationally, we are preparing for the local situation to change and for more confirmed cases to be diagnosed. We are being guided by the experts at Public Health England who have established stringent criteria for if and when a school should close and for how long.

Head Teachers from schools across Rugby have met and have agreed, that until we are advised otherwise, we will maintain business as usual and keep disruption to our children's learning to a minimum. However, the health and safety of the children, staff and wider community has to be our priority and we have to play our part in preventing the spread of the virus.

In light of yesterday's government announcement that the UK is moving from the 'Containment' to the 'Delay' stage of its pandemic contingency plan, **Rokeby Primary School will remain open** as normal and will continue to provide morning and after school clubs and our usual extra-curricular activities.

However, following government guidance to minimise social interactions as far as possible and to restrict the possibility of the spread of the virus, schools in Rugby will be limiting interactions with the wider community by cancelling:

- **Whole School Assemblies**
- **Parent Consultation Meetings (All about me - Monday 16th March 2020)**
- **Parent Assemblies (Fridays each week at 9.00 am, Shared Learning events)**
- **School Performances**
- **Educational Visits (Year 6 Parliament 25th March, KS1 Theatre trip 3rd April, Yr3 & Y5 Methodist Church)**
- **Swimming (Year 5 – Friday afternoons)**
- **PTA/Social Events (Easter Egg Hunt, Mother's day lunch)**
- **Staff Training offsite**
- **Inter-school sports events/competitions**

To support the school in this 'social-distancing' policy, we would ask parents to limit physical communications with school, and where possible, use email or the telephone to contact school.

These measures will take effect from Monday 16th March. All events will be rearranged as soon as the situation improves. We will continue to update you regularly as the situation progresses. We would also recommend you continue to look at the following sources of information to keep yourself informed of all the latest information and advice:

- The Department for Education has established a helpline to answer questions about COVID-19 related to education. Staff, parents and young people can contact the helpline as follows: Phone: 0800 046 8687 Email: DfE.coronavirushelpline@education.gov.uk Opening hours: 8am to 6pm (Monday to Friday)
- Detailed information and advice for the public and returning travellers can be found on the NHS.uk website (and will be regularly updated): [nhs.uk/coronavirus](https://www.nhs.uk/coronavirus)
- Further information for the public about the situation can be found here (and will be regularly updated): [gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public](https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public).

If you are worried about symptoms or need specific advice please call NHS 111. Do not go directly to your GP or other healthcare environment.

Thank you for your continued support.

Yours sincerely

Mrs J James
Head Teacher
