GREENHOUSE MANAGEMENT

ABOUT

The Greenhouse Management will help students develop knowledge and skills related to the floriculture industry. Floral design and greenhouse operations management will be the primary units of study. Students will be prepared to create floral arrangements, produce commercial plant species in a controlled environment, and manage commercial and experimental greenhouse operations.

CAREER PATHWAYS

Floriculture Management
Ornamental Horticulture
Greenhouse Management

REQUIREMENTS

Semester course for
Sophomores, Juniors
and Seniors.

LOCATIONS

All high school students
have access to take
Greenhouse Management
