VETERINARY ASSISTANT

ABOUT

The Veterinary Assistant course provides the opportunity for students to explore different avenues of the veterinary profession. Students will be exposed to veterinary science and principles which include anatomy, physiology, chemistry, animal health and disease, dentistry and laboratory procedures. Students will provide hands-on care as they develop skills in the areas of surgical assisting, bandaging, wound care, oral care, and general nursing care.

CAREER PATHWAYS

Veterinary Assistant
Veterinarian

REQUIREMENTS

Year-long course for
Juniors and Seniors.
