

The Death of Love

By Ruby Heath Mrs. Foutz class

Once upon a time there were twins who loved love. Their names were Cupid and Stupid. Then Cupid decided he wanted to start his own love business. But Stupid wanted that too. he started getting controlled by an evil scientist. He started his own business it was called the death of love. He wanted to do the opposite of what Cupid was doing. The first thing he did was make a boy named Parker hate a girl named Lilly. Parker had a crush on her since kindergarten, [did I mention that they're in high school?] Then Cupid saw what Stupid was doing. He asked him, "What are you doing?" Stupid said, "I'm being controlled by someone!" Suddenly Cupid knew exactly who it was. It was Dr. Bluffenshuff. Cupid knew how to defeat him, it was the power of love. Cause there was someone he loved even more than anything in the world. It was Lucy Goodwell. Cupid shot an arrow at Lucy and she fell in love with him. They got married had kids and blah blah blah happy ending.

Cupid's evil twin

By Caleb Nettleship – 4th grade

You know who cupid is right? The guy who shoots darts into your butt. That guy. But he has an evil twin! And his twin is not a devil. He is like a red man, shoots darts of hatred! The opposite of cupid.

So, one day ninja cat and whiskers where eating ice cream then they see a red thing flying through the air. It is a bird? a plane? No, it's Bob, cupid's twin! He is firing arrows at innocent people! The arrows are turning people evil, and ninja cat must save the day!

Ninja cat jumps on to a roof, then on to Bob! he takes his sword and cuts Bob's arrows in half and Bob goes down to the ground! Ninja cat takes the antidote and jumps off Bob's back right before Bob crashes in the forest. Ninja cat lands by Whiskers and Whiskers ate both of their ice cream! Ninja cat chased Whiskers all the way home.

But Bob wasn't finished yet! He climbed to Devil's mountain and asked the Devil for a super weapon he could use to destroy ninja cat and anybody who stood in his way! The Devil said for Bob to sleep and bring him a drawing of what he saw, and he will create it! At night, the Devil tricked Sand man, the fairytale man of sleeping

to give Bob a dream of the super machine and give it to him also.

After the Devil saw the dream he went to the workshop and started building. The next day at lunch, Bob came to Devil's mountain and gave the Devil the drawing. He said, "I worked all morning on that drawing." The drawing he made looked accurate.

Suddenly, a giant part cupid part Devil mech held by magic and wish walks forward and the Devil says, "Its only weakness is its wings. Do not let anybody get near them." Ninja cat, 20 miles away sees this happen, and he hears it and: 1 hour later " I got it! Its weakness is its wings! I'll cut a hole there." Ninja cat says, reassured. Five minutes later..... Pow! Punch! Slap! Bang, bang, bang! BOOM! "Hello! This is cat island's top news reporter. I am here to tell you our news. I am at cat island's top amusement park and it is almost destroyed. The military is failing to destroy the mech and ninja cat is failing on cutting a hole in its back. Snap! A hole in the back! Ninja cat stopped Bob and saved the day!

Cupid's Evil Twin

Caleb Allen 6th grade Mrs. Wride

One day cupid was born to Venus, but he had a twin. His twin used to be just as wonderful and helpful as him. But soon turned evil and unkind. This is the story of how the twin of Cupid became evil and how he managed that evilness.

Up in the high heavens cupid and his twin were born. Venus loved them and took care of them. They had fun together and played. The loved to explore the beauty of the heavens. Venus loved both, but Cupid was her favorite. She would give him many privileges that his twin didn't get. She always did this in secret so Cupid's twin wouldn't be angry. It only took a matter of time though for Cupid's twin to learn about this. This got him increasingly angry. He acted like he didn't know when he was in front of Venus and Cupid but inside, he had a burning hatred for both. Cupid was able to play games and go places that his twin couldn't. He was given special gifts and his twin didn't get any. He got special powers when his twin got none.

Then one day Cupid's twin got so angry he went to Venus and told her he would kill Cupid. He told her everything he knew about the secret privileges. The Cupid's twin left and tried to find Cupid. Venus needed to warn her son. She quickly went to Cupid told him to grab his bow and protect himself from his twin. As soon as Venus left Cupid's twin came and headed towards his twin so he could deal a killing blow. Cupid tried to shoot his arrows, but his twin's hatred burned too much. The arrows were destroyed, and Cupid had no other option but to take flight. The chase went all throughout the entire world hatred and love on both sides of the fight. The world at the time was all peaceful and there was no contention. As the battle between the twins raged the arrows and flashes of love and hate affected the people of Earth. Some people were hit with love and started to promote peace while others who were hit by hate promoted war.

Countries fought each other and others started committing crimes. Cupid and his twin have continued fighting to this day. They spread hate and love throughout all the world. To this day the twins wage war on each other. But nowadays they don't fight to kill each other, instead they fight for control over the people of the world. They try to win the war by making the entire world just like them. If Cupid wins, the world will all be united in peace. If Cupid's twin wins, everyone in the world would hate each other. There is no one who knows how long this war will go on, but some say it will last till the end of time.

TODAY WAS A CRAZY DAY. I WAS WALKING OUTSIDE PLAYING BASKETBALL AND I GOT HIT BY AN ARROW. BUT THE ARROW HAD A BLACK HEART ON IT INSTEAD OF A RED ONE. I SUDDENLY HATED MY FRIEND BECAUSE HE GOT A BLACK DART TOO. SO, WE STARTED TO BEAT

EACH OTHER UP AND PUNCH EACH OTHER AND WE WERE LIKE "WHY ARE WE DOING THIS?" AND HE SCREAMED I DON'T KNOW. BUT THEN WE SAW A BAD CUPID AND A GOOD CUPID ABOVE OUR HEADS FIGHTING. SO, WE STOPPED FIGHTING AND GRABBED THEM BOTH AND WE STILL HAVE THEM IN OUR ROOM IN A JAR. BUT ONE DAY WHILE I WAS SLEEPING THE EVIL CUPID BROKE OUT OF THE JAR AND FLEW AWAY TO RID THE WORLD OF LOVE. SO, I WOKE UP FAST AND GRABBED THE GOOD CUPID AND TOLD HIM TO GO AND HIT THE BAD CUPID WITH A LOVE DART TO CHANGE HIS ACT. SO, WE RAN AND RAN AND RAN BUT NO MATTER HOW MUCH

WE RAN WE COULD NOT CATCH THE EVIL CUPID FROM GETTING TO THE CITY. SO, WE BROKE THE RULES. WE GOT THE KEYS TO MY DAD'S LAMBORGINI AND DROVE IT TO THE CITY. SO, I TOLD THE GOOD CUPID TO SHOOT HIM WITH THE LOVE ARROW, SO I LET THE GOOD CUPID GO

AND HE CHASED THE BLACK CUPID AND HE CHASED HIM INTO A TON OF BUILDINGS AND SHOT HIM AND HE TURNED INTO A GOOD CUPID.

Cupid's evil twin tried to kill love with his arrows and hurt others. He would go around and see who got an arrow from Cupid and he ruins the arrow. He made sure Cupid never shot anyone with an arrow. Cupid was mad at his evil twin Quinn who did not let him make love. Cupid went to his father Vulcan and told him everything, his father told him he would not fix it, and this is a thing they need to work out between each other. Cupid got mad so he shot Quinn with his own arrow and Quinn started feeling sad and lonely soon to want a love arrow shot in him. Cupid said no and told him he will send him to the heaven jail. Quinn pleaded for him not to and said he would stop. Cupid said no and sent him the heaven jail. At the heaven jail they looked over what he has done and sent him to the heaven mountain and told him that if he could get off the mountain, they would let him free. Quinn quickly ran down the mountain into a village thinking he was off the mountain and yelling at the gods to let him free. The gods got mad at him for yelling and have left him on the mountain forever.

Everyone knows Cupid the little angel that makes people fall in love with each other. A nice little thing. But do you know Cupid's evil twin? It has no name, only dark angel. He does the opposite; he makes people hate each other. He particularly likes doing this to married people. This is why people get divorces. That kind of thing.

A very long time ago Cupid and his twin fought each other. There was no clear winner and both were beat. When they were fully restored, they never fought again, but the evil twin was still doing its thing, so Cupid imprisoned him. All the dark angel wanted was revenge. One day a foolish human released him. The dark ages began that day.

When the last day of the dark ages came, Cupid and his evil twin destroyed each other, but their bows still intact fell to the ground. They became religious artifacts. One for the church, and one for a cult. The bows, when they come into contact, they hear Cupid or his evil twin. The churches fell from their high standing, but still to this day the bows hold great power and will still impact it for a very long time.

When the two bows meet, a great war would happen, this was the case for WW1, WW2, and soon WW3. There is nothing we can do. We can only hope that we will prevail like we always have. This is what we must believe for if we lose, the daemon will come through the dark gate.

Cupid's Evil Twin

Cupid's evil twin's name is Tina and she is a very mean person. Tina doesn't make matches, she does nothing. She was a disgrace to her family. No one ever talked to her and left her alone. She was very depressed every day and very sad. She just wanted a friend. One day she went on a walk and she found a dog on the road and she took care of him until he was better. She grew a great bond between them, and she loved and never left the dog leave her side.

One day they went on a walk, (she loved going on walks) then a car pulled up. On the side of the car it said "Pound". Then they started running and the car chased after them. The person stepped out of the car and took the dog away and then she cried and tried to stop them.

Then she ran to the pound and she begged for her dog back. Finally, she got the dog back and was happy, and she shed tears of joy.

I know you've heard about Cupid, but have you heard of Cupid's evil twin, Chet. Cupid is helping people fall in love with each other, but Chet does the opposite. Chet does hit people with arrows like Cupid, but the arrows that Chet hits people with makes them hate each other. There have been some terrible stories about Chet, but there is so many to tell. I will tell you a couple of stories, but I must tell you from the beginning. Cupid's and Chet's parents are normal people, regular humans until they gave birth to Cupid and Chet. As soon as they were born their parents turned in to the fairy things that Cupid and Chet too. Cupid was the first-person part of the family to learn how to fly and shoot arrows, then their dad, then their mom, then Chet. Chet was jealous that Cupid learned how to do everything first he became evil so he could prove the Cupid that he is powerful than him, that's where our story begins.

One-time Chet was having the worst day ever because everyone around him was happy and were part of a couple. Chet was so sick and tired of it, so he got out his bow and arrow and just started firing at anyone he saw. After that Chet was still mad because he felt a little bit happy, and he hates being happy. After Chet shot everyone the people hated each other and were fighting and stuff. Another story about Chet is when he and Cupid were fighting not like fists and stuff but like arguing and stuff. Once again Chet was sick and tired of Cupid, so he got out his bow and arrow and starting firing at Cupid. But Cupid dodged every single arrow. Cupid could tell that Chet was getting mad and he just wanted him to be happy, so he started firing at Chet. But again, Chet dodged every single arrow. Those two just were having an arrow war and

they kept going until they both had one arrow left. Those two pulled their bows back at the same time and fired at the same time and the arrows each in midair and both slit. To Be Continued.
