WOODWORKING

ABOUT

The Woodworking course is an instructional course that prepares individuals to apply technical knowledge and skills to lay out and shape stock, assemble projects, saw and sand projects, and stresses the safe use of a variety of hand and power tools and machinery. Recommended projects would be anything that would allow students to incorporate all joints and tools.

CAREER PATHWAYS

Cabinetmaker
Architectural Woodworker
Carpenter

REQUIREMENTS

Semester course for
Sophomores, Juniors and
Seniors

LOCATIONS

All high schools have
access to take
Woodworking
