

# General Instructions for Online Schooling

- You are all amazing learners! This is a big change for us, but we can do hard things! This will stretch your brains and make you a better student. We are proud of you and can't wait to see the work you'll be doing.
- You can contact us through email. Mrs. Jones: [jejones@dsdmail.net](mailto:jejones@dsdmail.net), Ms. Miller: [Micmiller@dsdmail.net](mailto:Micmiller@dsdmail.net), Ms. Scott: [dascott@dsdmail.net](mailto:dascott@dsdmail.net) We will be at school from 8:00-1:30 p.m. Monday-Friday.
- The created calendar is a way for you to keep on task. Check off each item as you complete. Your wise parents are welcome to help you with anything you need. Please know that we are here for you as well. We will be using the online resources we are already used to using so there will be no surprises there.
- You will use our email, Office 365, McGraw-Hill, and Pearson Easy-Bridge to submit some of your tasks and to ask any questions you have about the assigned work.
- We are required to take 'attendance' during these days. Attendance/Accountability data will be gathered at the end of each week. Fourth grade will take attendance by requiring students to 'check in' through email or turned in assignments with their teacher, EVERY DAY. This check in can be a simple 'hello' or a question you may have about work completion. So long as you check in each day, you will not be considered absent.
- If there is a password or login you cannot remember please contact us asap and we will find that info for you. Write your passwords in a safe place.
- Students are required to spend 40 minutes in each of the 4 subject areas, daily. Reading minutes and ALEKS math are above and beyond the 40 minutes of academic study.
- Reading of any kind counts towards those daily minutes – that includes McGraw-Hill stories and any other online reading materials we'll be using.

# Online Program Access

- To sign on to Pearson Easy-Bridge, McGraw-Hill and Edutyping:
  - ➔ enter the school website,
  - ➔ parent/students,
  - ➔ Quick Links Tab
  - ➔ Open Office 365 using student email and student ID  
(example email: [29tmorley@go.dsdmail.net](mailto:29tmorley@go.dsdmail.net), Pin (1234567))
  - ➔ ALEKS is a website that you will need your login info

## Math, Reading, Writing & Science Extras

- ALEKS Math & Reading is best used with Chrome.
- Clever: Edu Typing, McGraw-Hill, Office 365, Pearson Easy Bridge Math, Go Math
- Mystery Science
- BrainPop/Go Noodle
- Bill Nye Science Videos/Questions (Clouds, Weather, Rocks and Minerals, Fossils, Environments, Classification)
- Art Lessons (online through school website or at <https://oakhills.davis.k12.ut.us/activities/art-with-mrs-ence>)
- Prodigy

# At Home Academic Checklist: Oak Hills Amazing 4th graders

Use this calendar to help keep yourself organized during our days of off-site learning. Each day, follow the schedule. Some assignments will be sent through Office 365, email, McGraw-Hill, and Pearson Easy Bridge.
