## A NOTE FROM THE HIGH SCHOOL OFFICE

---

Dear High School Parents,

I hope this email finds you well as we continue in our online learning environment. I don't have a lot of "new news" to report, but I want to thank you for your support as we continue to do our best to provide the opportunity for students to continue learning.

One note of special importance for Class of 2020 parents: We continue to work with the IBO to develop plans for the upcoming May exams. Our hope is that we will be back on campus as scheduled, but we are also making contingency plans in the event that we aren't back by then or if your student isn't able to be back with us by then. Please be on the look-out for an update later next week.

Please feel free to email me with any questions or concerns and I hope to see everyone back in Guangzhou soon.

Kind regards,

Kerry  
High School Principal
