Print the letter H.

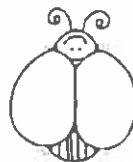

Color the pictures that begin with the letter H. 

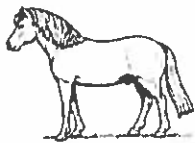

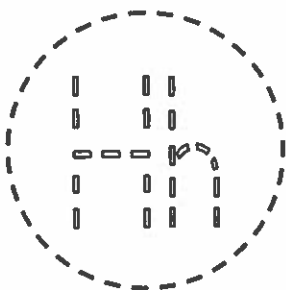

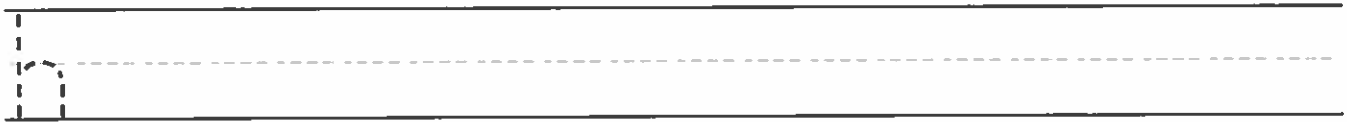

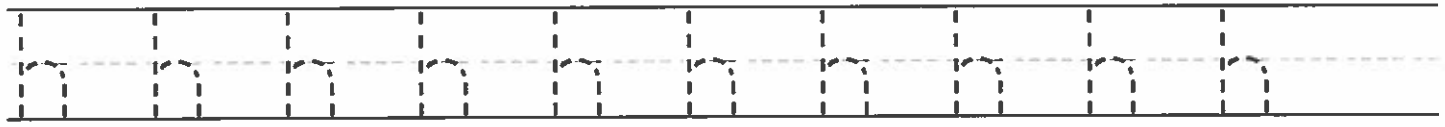

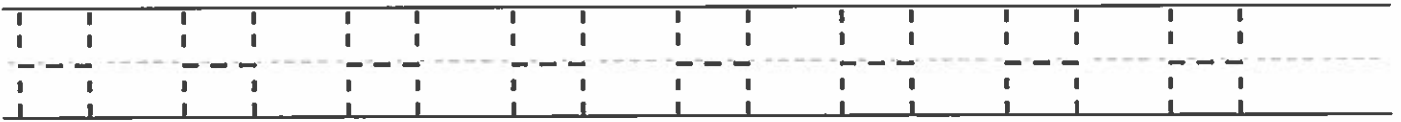

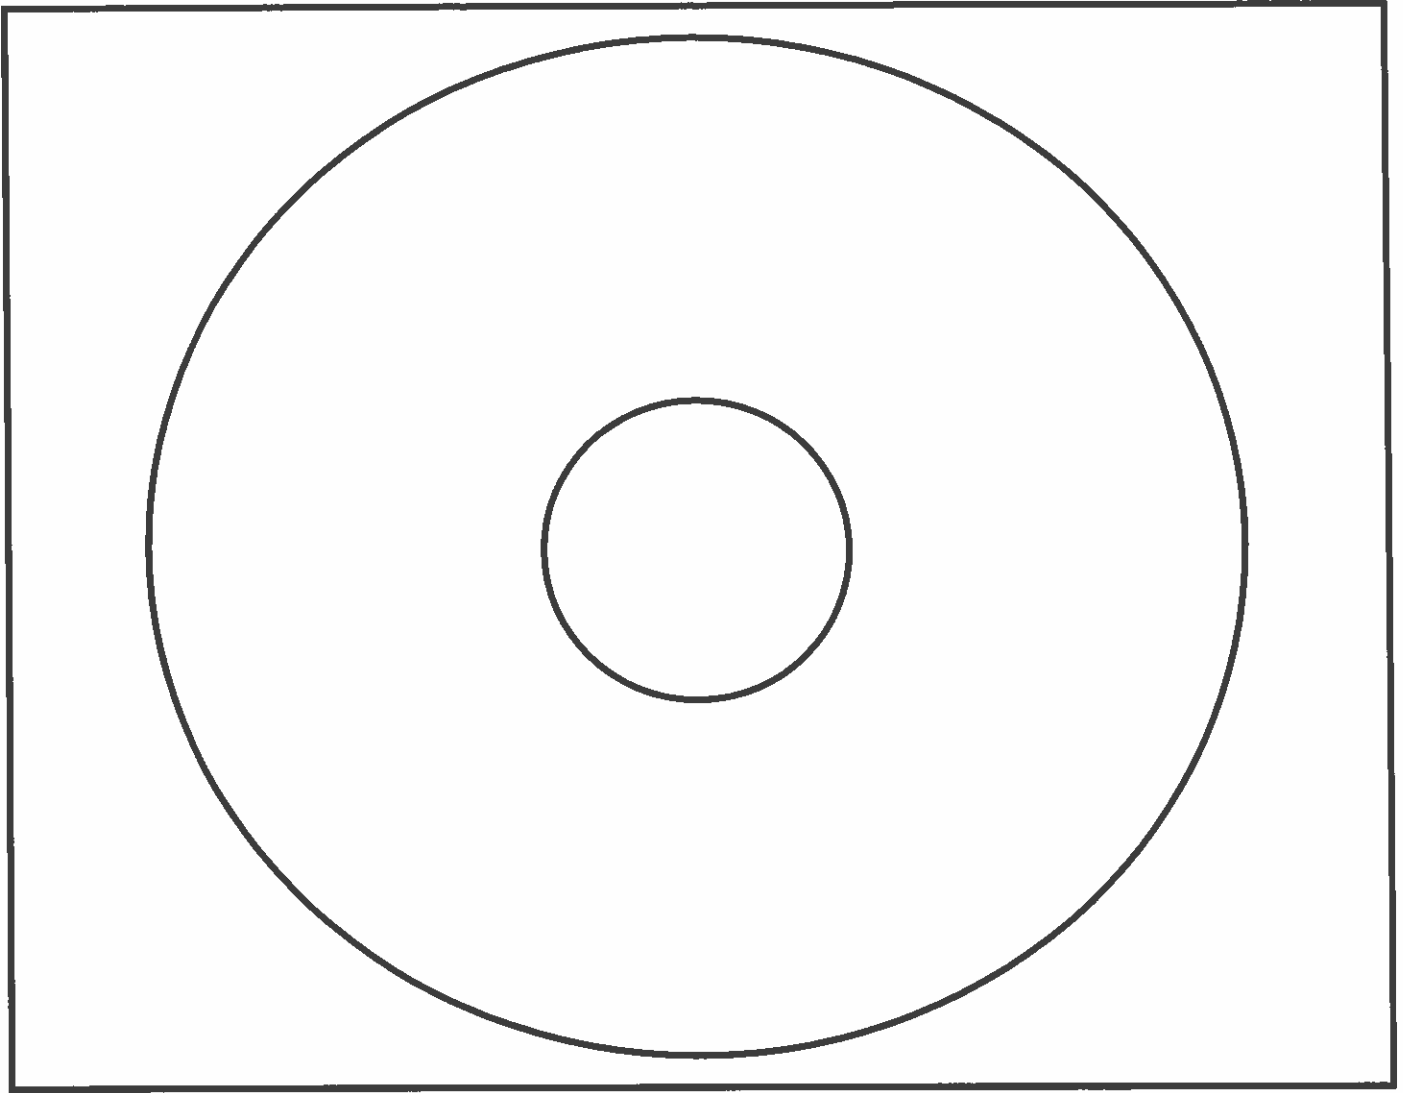

Trace the numbers.

Count and write the number.

horse

hat

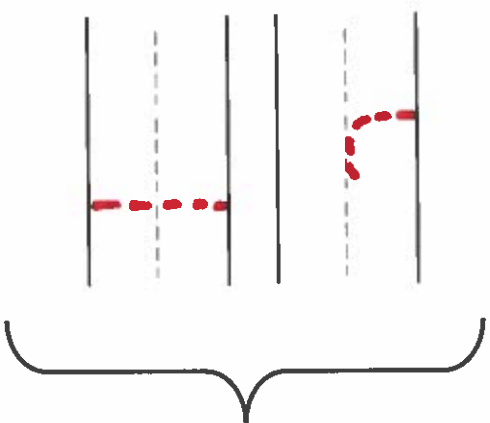

hay

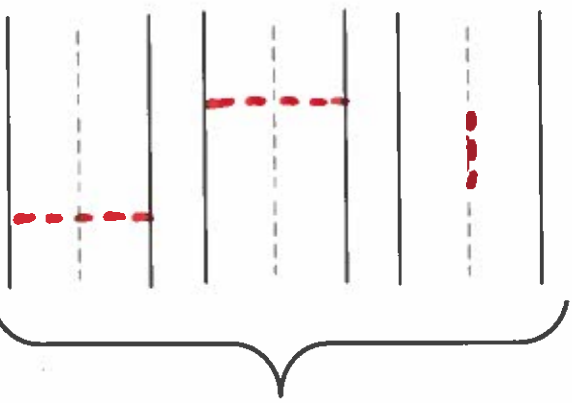

ham

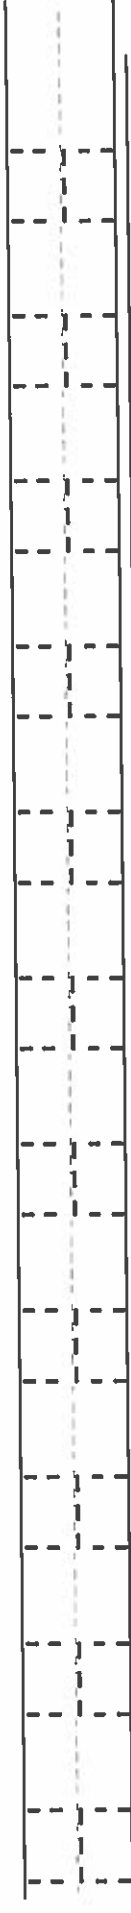

Name _____

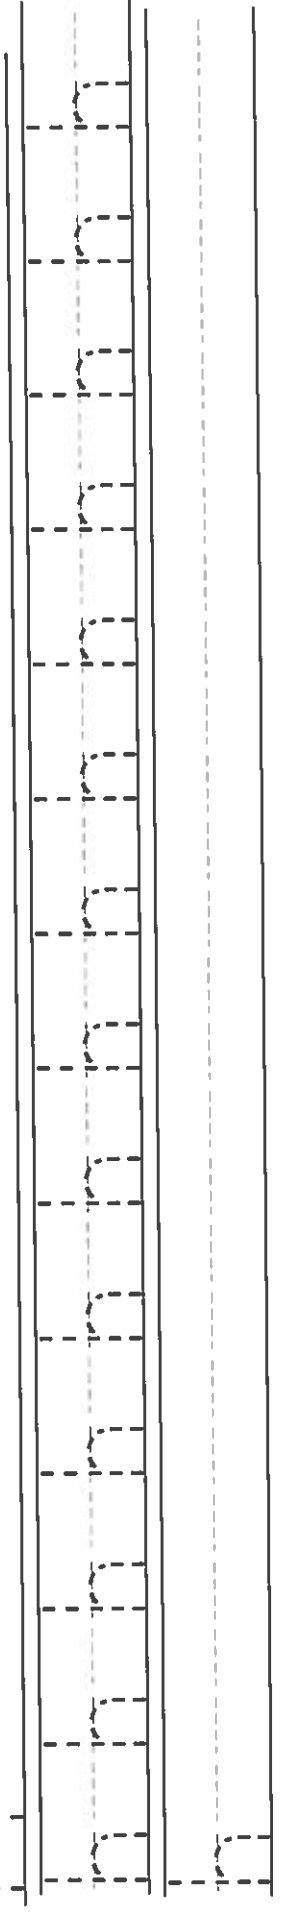

A tracing guide for the uppercase letter 'H' on a four-line grid. The letter is formed by two vertical strokes and one horizontal stroke. The first vertical stroke is on the left, the second on the right, and the horizontal stroke connects them in the middle. A bracket below the strokes points to a box containing a dashed outline of the letter 'H' for tracing.

A tracing guide for the lowercase letter 'h' on a four-line grid. The letter is formed by a vertical stroke on the left and a curved stroke on the right. The vertical stroke is on the left, and the curved stroke starts from the middle line, goes up to the top line, and then curves down to the bottom line. A bracket below the strokes points to a box containing a dashed outline of the letter 'h' for tracing.

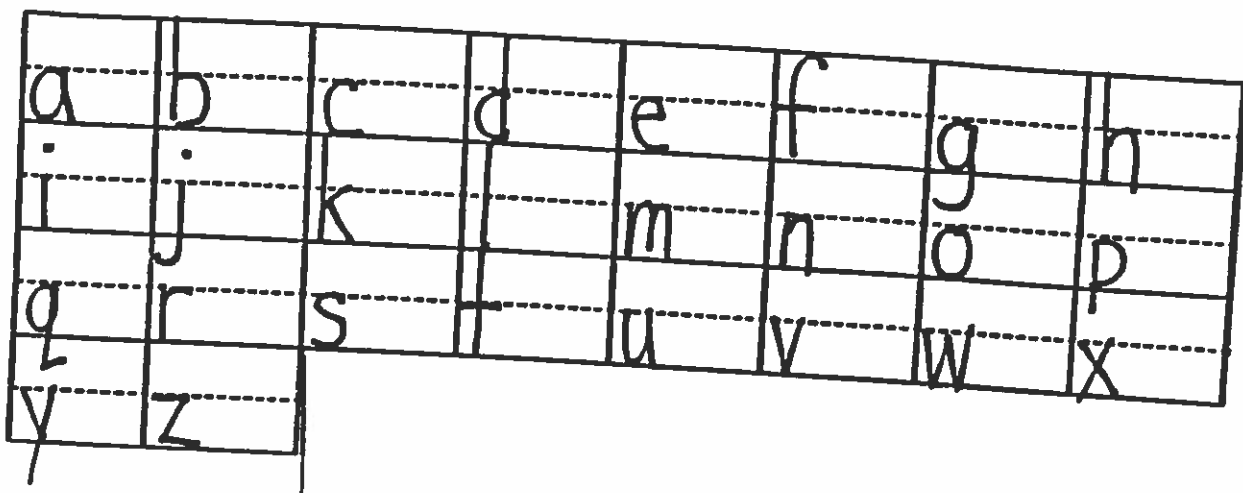

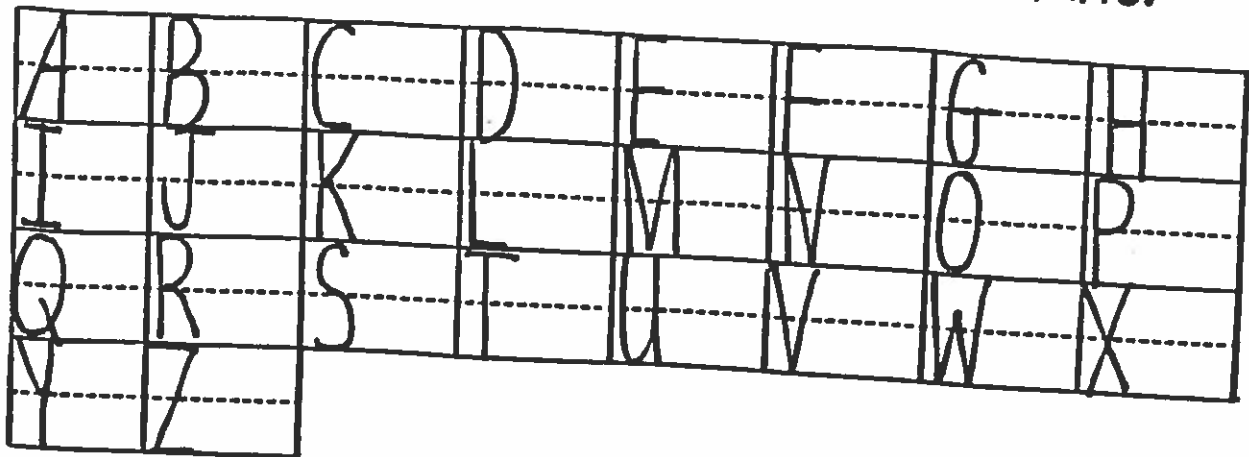

Handwriting practice lines for the uppercase letter 'H'. The first row shows a dashed 'H' for tracing. The second row is empty for independent practice. The third row shows a dashed 'H' for tracing. The fourth row is empty for independent practice.

Handwriting practice lines for the lowercase letter 'h'. The first row shows a dashed 'h' for tracing. The second row is empty for independent practice. The third row shows a dashed 'h' for tracing. The fourth row is empty for independent practice.

Count and write the number.

			
jump	jar	jelly	jug

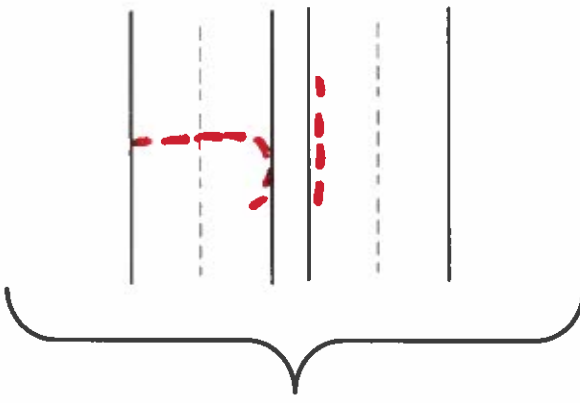

Name _____

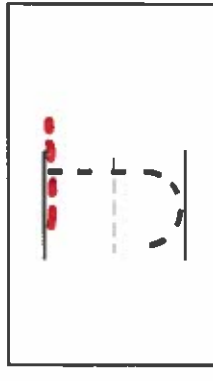

A large uppercase letter 'H' formed by dashed red lines on a four-line grid. A bracket below it points to a small inset box.

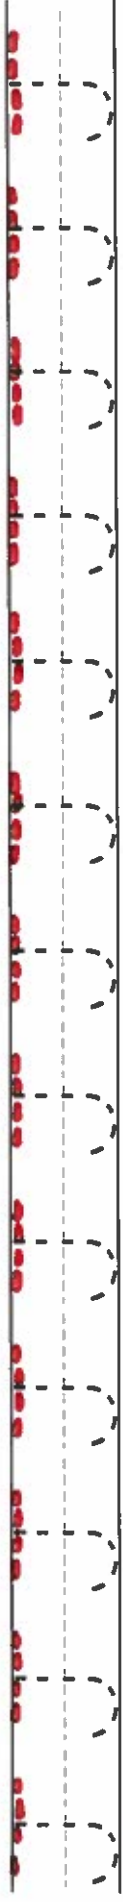

A small lowercase letter 'h' formed by dashed black lines on a four-line grid. A bracket above it points to the large uppercase 'H' tracing guide.

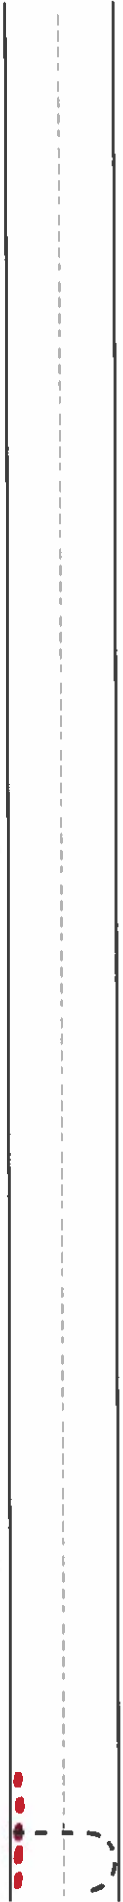

A large uppercase letter 'I' formed by dashed red lines on a four-line grid. A bracket below it points to a small inset box.

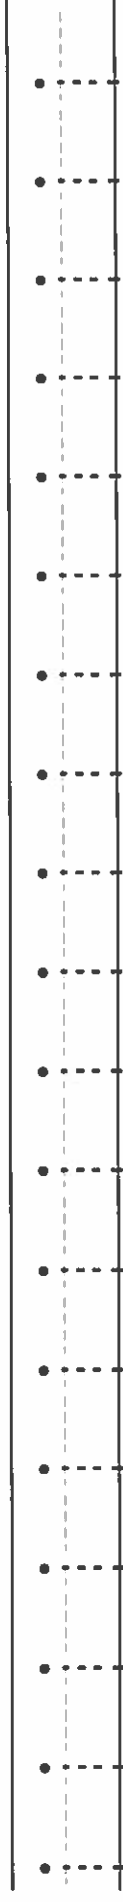

A small lowercase letter 'i' formed by dashed black lines on a four-line grid. A bracket above it points to the large uppercase 'I' tracing guide.

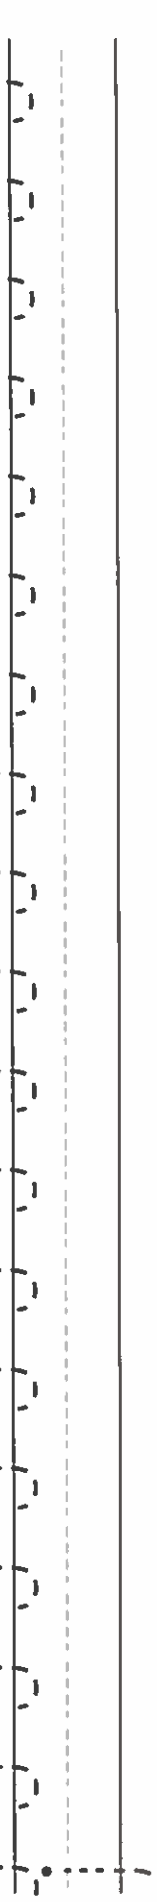

A row of ten uppercase 'H' characters for tracing. The first is dashed red, and the others are dashed black. Below the row is a solid red 'H'.

A row of ten lowercase 'h' characters for tracing. The first is dashed red, and the others are dashed black. Below the row is a solid red 'h'.

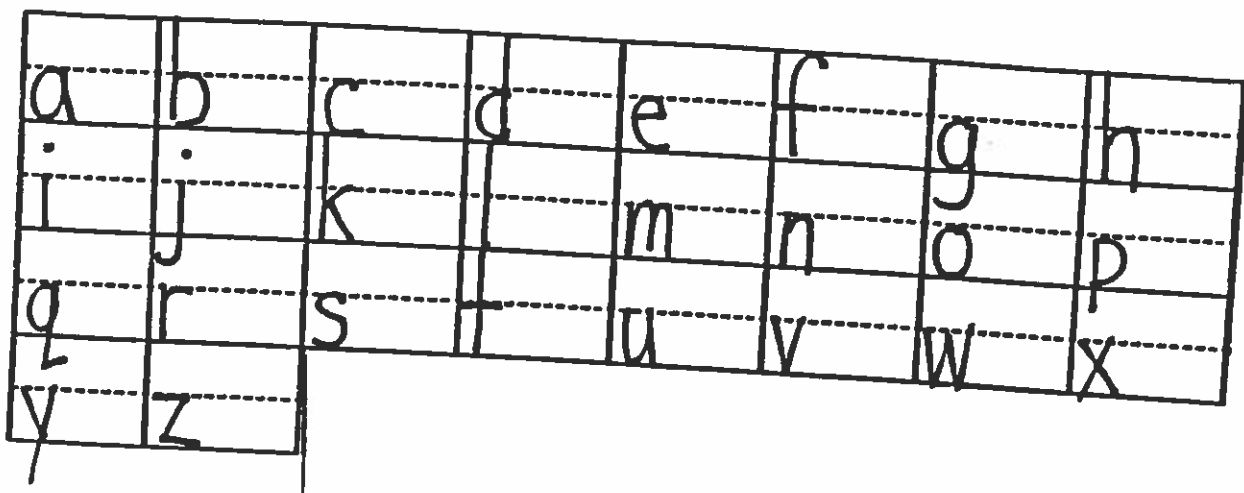

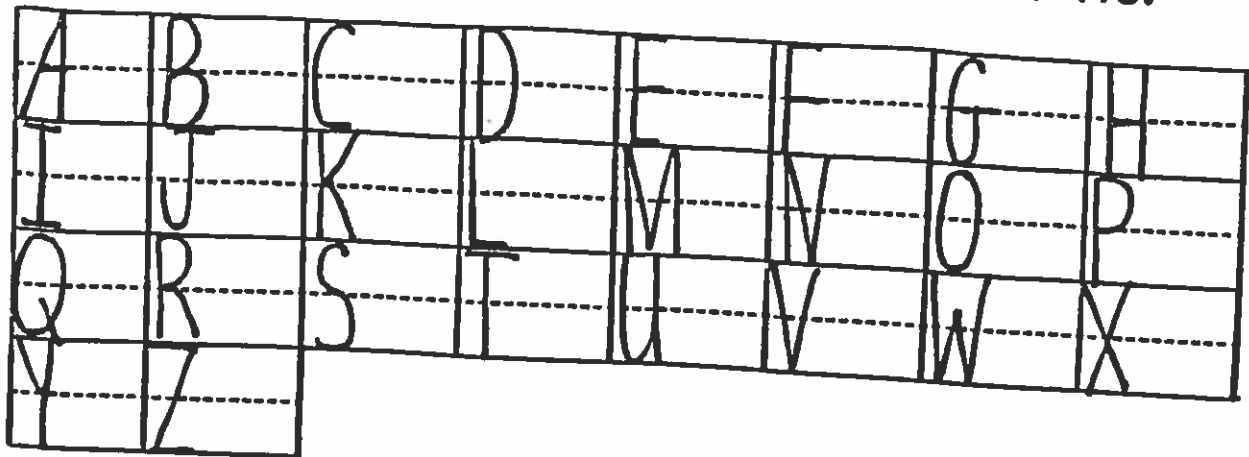

A row of ten uppercase 'I' characters for tracing. The first is dashed red, and the others are dashed black. Below the row is a solid red 'I'.

A row of ten lowercase 'i' characters for tracing. The first is dashed red, and the others are dashed black. Below the row is a solid red 'i'.
