

COVID-19

Some people are getting sick with the coronavirus / COVID-19 .

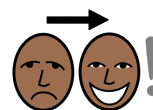

People with COVID-19 may get a fever, cough and feel tired.

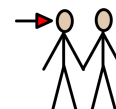

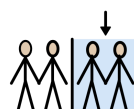

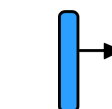

Older people, not kids, have been getting sick from COVID-19.

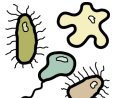

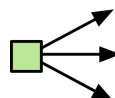

Sick people can be tested to check if it is COVID-19.

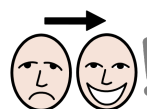

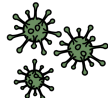

Sick people can go to the doctor to feel better.

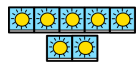

Sick people will stay away from other people so they don't

spread germs.

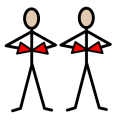

2

Most people with COVID-19 will feel better in a couple weeks.

Stopping Germs

We

want

as many

people

as

possible

to

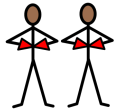

stay healthy.

How

can

we

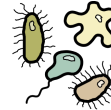

stay healthy?

By

stopping

germs!

It is

important

to

use soap

to

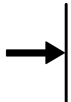

wash our hands.

Wash your hands

for

20

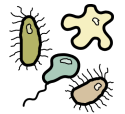

30

seconds

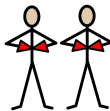

wash away

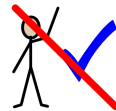

germs.

When

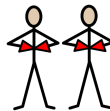

we

can't

wash our hands,

we

can

use

hand

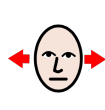

sanitizer.

Also,

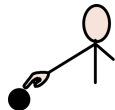

try

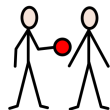

not

to

touch

your

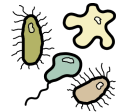

face.

I can

stop

germs!
