**Easter Break for students, faculty and staff, April 10-April 19, 2020**

Dear Cardinal Newman High School Parents, Guardians and Students,

We hope that all of you are safe and healthy during this challenging time. One of the reasons that this has been so challenging for all of us - students, faculty, counselors, staff and administrators - is that our lives are so intertwined in the incredibly strong community that is Cardinal Newman.

During difficult times, we expect to rely on each other for support, strength, and guidance. Although we are not physically in each other's presence during this time, the strong bonds of our community will continue to provide us with what we need to get through this.

As the coronavirus progresses, we want to remind parents and students about social distancing and sheltering in your place of residence. It's important that we continue to do our part to decrease the spread of the virus.

We will continue to provide updates and we are keeping all of you and our entire Cardinal Newman community in our daily prayers.

Most sincerely,

Laura M. Held, President  
Graham Rutherford, Dean of Student Life  
Bernadette Calhoun, Dean of Technology and Instruction  
Rich Herrmann, Dean of Curriculum and Instruction
