JESUIT PREPARATION *for* COLLEGE...FOR LIFE

March 18, 2020

Dear Parents and Guardians,

Attached is a video explaining the information sent to you yesterday. This is being emailed to your son this afternoon. Remember that eLearning begins officially on Monday, March 23. It is very important that each student is “electronically present” at all times, but especially in the initial days as teachers lay out their individual plans to their students. Know that the dean, assistant principal and counselors will be monitoring online learning and will update you if they find your son falling behind or not being engaged.

Some additional information:

- Easter vacation will remain vacation. Online learning will not take place after Thursday, April 9. Hopefully, we will resume in-class learning on Monday, April 20.
- SATs and ACTs are cancelled for April and May. The guidance department will be in touch with additional information in the near future.
