

Nueva's Lunch Program for Lower and Middle School Students

***2020-2021 Middle School Students will have lunch included in their tuition**

Nueva’s popular lunch program offers a varying selection of healthy and age-appropriate choices every day that school is in session, including at least one hot entrée, vegetarian and Gluten Free options, a choice of two soups, a full salad bar and sandwich bar, and milk and assorted other beverages. Weekly menus can be viewed in advance from your Nueva home page.

We are pleased to announce that Epicurean Group is returning as our food service provider at both campus cafés. Epicurean will be preparing all food onsite, using fresh ingredients sourced locally when possible, and avoiding the use of processed foods, artificial colors and flavors, MSG, preservatives, and high levels of sugar and sodium.

There are three ways to purchase lunch for your student – with an annual plan, with a single-semester plan, or using a flexible pay-as-you-go plan. After holding prices unchanged last year, cost increases oblige us to add 50 cents per day to our lunch plan prices.

Lunch Plan Prices 2019-20	Annual Plan		Single Semester Plan			PAYG Price for a Single Lunch
	Total	Approx cost per lunch	Fall Semester	Spring Semester	Approx cost per lunch	
Grades PK-K	\$1,260	\$7.50	\$570	\$775	\$8.00	\$8.50
Grades 1-4	\$1,430	\$8.50	\$640	\$875	\$9.00	\$9.50
Grades 5-8	\$1,595	\$9.50	\$710	\$970	\$10.00	\$10.50

Beverages are included with the purchase of lunch but are not available for purchase separately, so if your student opts to not purchase lunch, please make sure to provide them with a beverage in their lunch kit.

Parents and other guests are also welcome to enjoy the café for \$10.50 per person. Those with a school account are invited to pay by checking in at one of the computer terminals in front of the service counters. This will add the charge to the family account so it can be included in the next monthly billing statement. Those without accounts should pay at the reception desk.

Sign up for a lunch plan from your Nueva home page. You can click [here](#) to go there now.

Dietary Restrictions? Those with special dietary needs are invited to contact the Epicurean chef directly by emailing hbchef@nuevaschool.org. Epicurean may not be able to fulfill every request, particularly in cases of medically significant allergies or sensitivities, but they will do their best to accommodate you. Thank you in advance for understanding that in certain situations, it may be more appropriate for you to provide lunch from home.
