

Distance Learning Update 3/18/20

Good Evening Elementary Families,

We wanted to keep you posted on our progress in regards to continuing to educate our students during this extended school closure. Administrators have been working diligently to plan for distance learning in Region 14. Below is what you can expect from us over the next few days:

- Tomorrow and Friday, our teachers will be working collaboratively and creating distance learning materials for students. Currently, K/1 students will be provided packets with additional digital activities. Grades 2 - 5 will access their learning digitally.
- By the weekend families and students will receive more specific guidelines and expectations around Region 14 Elementary Distance Learning.
- The current plan is for students to be able to access their learning materials and begin their distance learning on Monday.

More to come.

Sincerely,

Mark Harutunian
Interim Principal
Bethlehem Elementary School

Andy Komar
Principal
Mitchell Elementary School
