

Secondary Speaking World Languages Activities

As a team, we recognize that all scholars have different technology access and needs. We also want to make sure you can engage in learning in a way that you enjoy and grow from. As such, we have created a choice board for each language skill. Each skill has options both with and without technology use.

Categories	Check activities completed
Speaking	<input type="checkbox"/> Voice memo or video introducing yourself <input type="checkbox"/> Voice memo or video introducing describing your family <input type="checkbox"/> Phone conversation summary <input type="checkbox"/> “How to” video <input type="checkbox"/> TV narration video <input type="checkbox"/> List of lessons taught to family member <input type="checkbox"/> House tour video

Speaking:

For all options, use as many details as possible and speak in complete sentences in your target language.

- Plan or create a voice memo or video of you introducing yourself in your language.
- Introduce and describe your family members, friends or pets in your target language. Describe how you are similar or different to them.
- Talk to another language- speaker or classmate for 20 minutes on the phone. **(Write a summary in English or the target language of your conversation and include whom you talked with.)**
- Plan or create a video cooking show or other “how to” video (art project, sport, etc.) in your language. Include at least 5 steps.
- Watch TV on mute. Narrate what’s happening in your language.
- Teach a family member your target language. Teach them words or phrases in the language. Have them create a conversation with your help.
- Take your teacher on a tour of your house. Record and send a video of you describing your house in your target language.
