The DELAWARE COUNTY WIC PROGRAM assists Pennsylvania residents!

Delaware County WIC provides the following services:

- Nutrition counseling and information
 - An eWIC card to purchase nutritious foods
- Breastfeeding promotion, support and breast pumps
 - Referrals to health and social service agencies
 - Immunization screenings
 - Summer Food Service Program
- Farmers' Market Nutrition Program checks

To qualify for WIC, an applicant must have a medical or nutritional risk, have a household gross income less than 185 percent of the U.S. Poverty Income Guidelines, and fall into one of the following categories:

- **Pregnant women**
- **Women who have given birth within the last six months**
- **Women who are breastfeeding infants under twelve months of age**
- **Infants and children, including foster children, up to their 5th birthday**

**For more information or to schedule an appointment,
call the Delaware County WIC Appointment Call Center at**

484-471-3320.
