

SDC, Kinder, 1st

Hi Parents,

I hope you are doing as well as can be expected during this unprecedented time. Please tell your students that Miss Denise says "Hello".

I wanted to establish an open line of communication between us to support speech and language goals while school isn't in session.

I've been directed by the district office to make contact with you at least twice a week for the next three weeks. Please feel free to contact me at any time via email (purvisd@mhusd.org).

For this week, please concentrate on reinforcing the following prepositions:

on

in

under

next to

in front

behind

between

You can have your child follow directions with objects or look at books and ask "Where is the ____?" When appropriate, have your child use a complete sentence. ("the ____ is ____ the ____.")

Of course, model correct use of grammar and sounds at all times.

Please respond to this email so I know that we are connected, and again please contact me at any time with any questions or concerns.

I wish you all health, I will miss your children!

Denise
