

## 2 Hour Suicide Prevention Training

1. Go to [www.sptsusa.org](http://www.sptsusa.org)
2. Click on READ MORE under the Online Training
3. LOGIN or CREATE a new account
4. Fill in all requested information and click on "CREATE MY NEW ACCOUNT."  
The website will send an email to whatever account you specified. This takes about 10 seconds. Click on the link sent to you.
5. Click on COURSES, then click on CUREENT. This takes you to a screen where you can click on the top course (2019-2020 NATIONAL VERSION).
6. This takes you back to the website where you can begin the online training. Beginning with "ENROLL ME". You must complete each section in order to move on to the next section.
7. You can logout at any point and the website will remember where you were and take you there upon logging in later. Finish each module, and you will print a certificate for two hours of Suicide Prevention Training. This certificate will need to be kept for re-licensure.
