

Dear BHECC Parents,

We wanted to reach out to you to let you know we miss our little Eagles and we are hard at work preparing high-quality distance learning opportunities to help your child continue to grow academically in spite of these extraordinary circumstances.

**Distance learning will begin on Monday, March 23.**

Prior to that time, we will be sending you detailed information about how to access the distance-learning platforms that we will be using to deliver instruction (Seesaw, Google, and Zoom).

**Please know that creating a positive and meaningful learning experience for your child is our priority. We thank you in advance for your patience as we plan for the best ways to do that.**

You can trust that we will be communicating information and decisions to you on an ongoing basis.
