Elmhurst Community Unit School District 205
Daily E-Learning Attendance Check-In for Parents
Grades: Early Childhood to 5th

Steps for parents to complete each day of e-learning to verify student participation:

Log in to your PowerSchool parent account via a web browser (not the PowerSchool app) (https://aps.elmhurst205.org/public/home.html)

1. Select your student in the upper left corner:
   ● E-Learning attendance must be posted for each EC-5 student every day. If you have more than one EC-5 student please repeat steps 1-3 for each student.
2. Click on the **eLearning Attendance** Tab **Each day between 8:00am and 11:00am,** add any optional comments and submit your form to verify that your student is participating in eLearning for the day.
3. Submit the form.

For additional support, please review the following screenshots and steps below.

Additional help is available by emailing **ELearningHelp@elmhurst205.org**. This email is operational on designated E-Learning Days only and actively monitored between 7:30 a.m. and 4:00 p.m. When an email is submitted, a work ticket will be created and assigned to the appropriate staff member.

 Thank you for supporting District 205 in the initial implementation of E-Learning Days.

Verification of eLearning Course Attendance

> ⓘ **IMPORTANT!**
>
> If a student is ill, or not participating in the E-Learning Day, parents/guardians must call the school's main office voicemail to share that the student will be absent from e-learning.

Verify:

By submitting this form, I verify that ▓▓▓▓▓▓▓▓▓▓▓ is participating in *eLearning* on 03/12/2020

Note: An E-Learning Day is an official attendance day of school when the students and teachers stay at home due to school cancellation for weather or other emergency situations, yet learning continues moving forward as students remotely leverage and engage with digital tools and teacher-prepared learning modules. Families will be notified of any school closing that results in an E-Learning Day in the same methods used in the past (phone call/email/text, website posting, news/radio).
