Thursday, 19 March 2020 at 16:30

Dear {Salutation}

The work below is for the last two days of term, next Monday and Tuesday, for those wishing to familiarise themselves with home learning.

Over the past few days this work has been sent home to absent boys; it has now been updated with one or two new activities to assist those who have already completed these tasks.

Thank you for your continued support in your son's education.

With kind regards

Mrs Latimer

Head of Pre Prep

In Phonics this week we are learning to read and write the 'igh' phonic sound, eg. night, fight, light. We are also revising all Phase 2 Phonic sounds and tricky words. <https://www.youtube.com/watch?v=TvMyssfAUx0>

In Maths we are revising 2D and 3D shapes. We are naming and sorting them and their properties, eg. do they roll, do they stack? We are also looking for 3D shapes around our environment. Number recognition and sequencing to 20. Simple addition of one digit numbers up to 20 using counting aids, eg. buttons. Board games. Eg. snakes and ladders, ludo.

In Literacy we are reading, 'Room on the Broom' and identifying the rhyming words. Please read a variety of books and identify the rhyming words. We are also sequencing the pictures/events and writing about the order of who got on the broom. Write about a new character getting on the broom.

In Creative lessons we are making a Mother's Day card. Make an Easter card. Use construction toys, eg. Lego to make a broomstick for the witch on 'Room on the Broom'. Read daily.
