

School Closure 'Ticking Over' Work for Monday 23 and Tuesday 24 March - Year 4

Thursday, 19 March 2020 at 16:30

Dear {Salutation}

The work below is for the last two days of term, next Monday and Tuesday, for those wishing to familiarise themselves with home learning.

Over the past few days this work has been sent home to absent boys; it has now been updated with one or two new activities to assist those who have already completed these tasks.

Thank you for your continued support in your son's education.

With kind regards

Mrs Courquin

English

Read a chapter from a book and find:

- o 5 verbs
- o 5 adverbs
- o 5 nouns
- o 5 adjectives
- o An example of alliteration
- o An example of personification
- o An example of a metaphor or simile.

Write these down and then use these words to make a new sentence or paragraph.

Design a new front cover for a book you have enjoyed reading.

Write a book review.

Read a few pages of a book and write comprehension questions for your parents to answer!

Maths

We are looking at co-ordinates. You could play any grid games including Battleships. Try any of the games on MyMaths under Games, Co-ordinate Games.

Continue to practise Times Tables. You can log into tt rock stars, or there are lots of other games on the internet to do this. You could also make a set of cards for any you feel you need to practise.

Write some mental maths questions for a sibling or your parents.

Showbie

Please log into your Showbie account (this can be done on an iPad or PC) and follow instructions. Have a look in the English folder and complete the Imaginary story activity.
