

School Closure 'Ticking Over' Work for Monday 23 and Tuesday 24 March - Year 8

Thursday, 19 March 2020 at 16:30

Dear {Salutation}

The work below is for the last two days of term, next Monday and Tuesday, for those wishing to familiarise themselves with home learning.

Over the past few days this work has been sent home to absent boys; it has now been updated with one or two new activities to assist those who have already completed these tasks.

Thank you for your continued support in your son's education.

With kind regards

Mr Lott

English

Relevant class based work is accessible on Showbie via the 'Class Work' folder. The work is all dated according to the week so all boys can keep up to date.

Including the above, boys are expected to read each day and can work on the independent writing projects.

Have a go at a daily writing task using the Picture of the Day from Pobble 365: <http://www.pobble365.com/>

Maths

8E – please look at the UKMT website. Either work from the Team Challenge resources or Intermediate Maths Challenges (**Only Years 2013-16 please.**)

CE with MS – Angles within Polygons/Parallel Lines and Speed/Distance/Time

CE with TB – Algebra Collecting Like terms, with powers, Substitution of values an equations with unknowns on one/both side.

Try to avoid topics that are completely new to you. These are there in the event the school is closed for a significant period of time.

There are plenty of games to keep you going in the games section too.

You could also sharpen up your mental arithmetic skills with the Countdown numbers game. <http://www.primaryhomeworkhelp.co.uk/maths/countdown/index.htm>
