

School Closure 'Ticking Over' Work for Monday 23 and Tuesday 24 March - Year 5

Thursday, 19 March 2020 at 16:30

Dear {Salutation}

The work below is for the last two days of term, next Monday and Tuesday, for those wishing to familiarise themselves with home learning.

Over the past few days this work has been sent home to absent boys; it has now been updated with one or two new activities to assist those who have already completed these tasks.

Thank you for your continued support in your son's education.

With kind regards

Mr Lott

English

- Create sentences based on spelling lists using the target words. Challenge yourself to use more punctuation.
- Read a book passage and make up five comprehension questions
- Write a book review of a completed book

These activities could be repeated a couple of times.

Have a go at a daily writing task using the Picture of the Day from Pobble 365: <http://www.pobble365.com/>

Maths

Go onto your MyMaths portal and look for any topics that we have already studied, this could be Averages, Data representation & Fractions.

Try to avoid topics that are completely new to you. These are there in the event the school is closed for a significant period of time.

There are plenty of games to keep you going in the games section too.

You could also sharpen up your mental arithmetic skills with the Countdown numbers game. <http://www.primaryhomeworkhelp.co.uk/maths/countdown/index.htm>
