## Community Council Meeting

March 25th , 2020

Email Meeting

*Welcome –*

*With the Nation and World outbreak of COVID 19, our schools have had to tackle challenges that I as a parent have never seen before. Monday March 13, Davis school district began a two-week soft closure, followed by a week of Spring Break. After that, assessments will be made as to what follows. I am so grateful for our FJH administration, teachers, and staff that jumped into action, implementing a plan to allow our kids to continue learning online. Creating new lesson plans, making videos, providing access to technology, and flexibility as we all learn in this process. (Day of device checkout the Wasatch Front also experienced a 5.7 earthquake!) Thank you to our FJH team, your work is so appreciated! Superheroes!*
