

A NOTE FROM THE HIGH SCHOOL OFFICE

Dear AISG High School Parents,

I hope this email finds you well as we wrap up week #7 of online learning. I continue to be impressed by our students and commend them for "hanging in there" during this challenging time. I further appreciate all the support that it takes from you, as parents, to encourage, cajole, and assist your children in this environment. You are appreciated.

Here are a couple of announcements:

- The College Board, who administer the SAT, have recently approved the following dates for tests to be given at AISG next school year: Please note that the August date is an additional opportunity that we've been give to give the exam on our campus.
 - August 29, 2020
 - October 3, 2020
 - March 13, 2021
 - May 3, 2021
- The IBO has indicated that they are in deliberations about what to do about May, 2020 IB exams and will let us know by March 27 about their decision. We will pass along any information as soon as we have it.
- Progress reports will be coming out in early April. Please continue to encourage your children to do their best and keep up with their online assignments.

That's all for now. Please feel free to send me an email with any questions that you have at this point and take care.

Sincerely,

Kerry
High School Principal
