How do I log into my chromebook?

1. First, connect your chromebook to your home WiFi network. If you do not know how to connect to your WiFi network, please view the "How do I connect my chromebook to my home WiFi" article under the FAQ section. You will not be able to login to your chromebook if you are not connected to WiFi.

Grades 2-12:

2. Students in grades 2-12 have their own log in information that is given to them by the school. **YOU CANNOT LOG IN TO THE CHROMEBOOK USING ANYTHING OTHER THAN YOUR SCHOOL CREDENTIALS.** The student **MUST** login using their *@ansoniaps.org* username. If your student does not remember their google username or password, please submit a help request with the proper information.

Grades K-1:

2. Kindergarten and 1st grade students use a generic login corresponding to the school in which they attend. If your student does not remember the generic username and password, please submit a help request with the proper information.
