

## **Dyslexia Extended Homework Instructions**

1. Reading Log - (Minimum 15 min. daily) Can be a combination of student reading plus others reading to the child, including books on tape, Lexia, or Epic. Record number of minutes read aloud and date/title. *For example*, Mom can read to a child for 8 minutes and a child can read for 7 minutes for it to equal 15 minutes of reading.

2. RAP Practice - Read page aloud 1 to 2 times. **This should take no more than 5 minutes per page.**

Purpose of RAP page:

- \*Connect the printed letters to their sound
- \*Develop accurate and effortless reading through repeated practice
- \*Increase reading speed while maintaining accuracy

3. Instant Word Practice - Choose one column of the page to read aloud each day. Instant words provide a list of 300 words that occur frequently in reading.

Purpose of I.W. page:

- \*Provide repeated practice of high frequency words
- \*Develop rapid, accurate word recognition

*\* If a student struggles on a word on any of the practice pages, give the word to the child and have him/her repeat it.*

*\* If needed, read the first row of the section or column to the child and have him/her echo the words then have him/her read the section to you.*
