DATE: March 20, 2020

On Thursday, March 19, 2020 Governor Asa Hutchinson announced that all Arkansas schools will remain closed through Friday, April 17<sup>th</sup>.

Lighthouse Academies is working on our district's contingency plans for instructional delivery as the COVID-19 virus impact lengthens our time away from our traditional school setting. Our goal is to update you as our plans progress. The following is important information:

- Spring Break officially begins March 23<sup>rd</sup> through March 27<sup>th</sup>. Please allow scholars to enjoy this time off in a safe way. No AMI work will be distributed or due this week. Again, please allow students to enjoy and take a break this week.
- Thank you all for making sure scholars have access to their assignments and are hard at work.
- We will notify you when the next assignments will be ready and posted for scholars.
- We will be sending out drop off times for you to submit scholars completed work for the Week of March 16<sup>th</sup> AMI instruction after Spring Break.
- Please notify teachers through their email if your child does not have their school email account information. Teacher emails are posted on the website in the AMI folder.
- As part of our technology planning, we still need your assistance in completing the technology survey. If you have not done so, please complete this survey as soon as possible.

We appreciate our families and wish you all a safe and enjoyable spring break.
