

**LCAP Input meeting with Stakeholder Group  
Temple City Education Association (TCEA)  
Tuesday, March 16 and March 22, 2016**

- Need more up-to-date course offerings for elective classes at high school.
- Hire and retain qualified teachers
- Reduce class size in grades 4-6
- Implement a comprehensive curriculum for Common Core in elementary grades.
- More hands-on technology classes at high school and Oak. Focus on experiences with real-life application (electrical, plumbing). Team up with another district for training and resources.
