

LCAP Input Meeting with Stakeholder Group Unit 823
Wednesday, March 2, 2016

Ideas to Consider:

- **Technology Support**
 - need another tech support person
 - need clerical to support technology due to increase in programs, Google log-ins, Middlebury, i Ready, Minecraft, etc.

- **Professional Development for Maintenance and Operations**
 - tools training
 - safety training

- **Grounds Support**
 - need to fill another grounds position because duties are being added on to existing workload

- **Custodial Services**
 - need more help, working at 75% ratio, cleaning classrooms every other day; teachers unhappy
