

Reminders & Updates

We miss our students and are already looking forward to when we can see them in our classrooms again. As we come to the end of our first week of schools being closed due to the novel coronavirus COVID-19, we have a reminder and a few updates:

- Our schools will be closed to general access after March 20. Make sure to pick up your child's Chromebook, backpack, or other personal items they may need before we reopen schools after April 24. Parents of elementary students should call their school's office if they did not receive a schedule to come pick up materials.
- We have added a new delivery location at N. 59th Avenue and Gray Street to our student meal assistance program. [Check out the full listing of delivery and pickup locations.](#) All buses will be at the delivery sites at 11 a.m. with two exceptions:
 - N. 59th Avenue and Gray Street – 10:45 to 10:55 a.m.
 - Moon River RV Park – 10:40 to 10:50 a.m.
- We have received several questions about how schools being closed in response to the virus affects our students, services and staff. Here are the answers we have so far. [View Frequently Asked Questions.](#)
