

COLLEGE COUNSELING at St. Andrew's School

St. Andrew's has a distinct approach to the college admissions process. Our College Counseling Team gives intensive, highly personalized, private guidance to each student. Students discuss their college admissions work with their faculty advisors and parents, but beyond that network of care, are not expected to share their college plans with others. College admissions at St. Andrew's is not a cut-throat competition or fodder for gossip; it's a path for self-discovery.
