REMOTE LEARNING

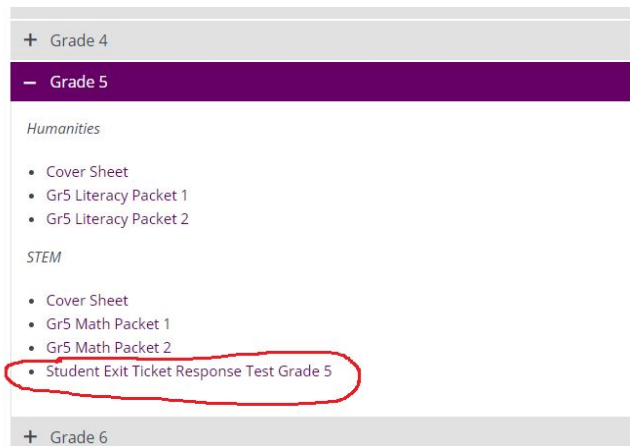

Dear Public Prep Families: The links below contain academic materials for your scholar to work on while the school remains closed. Please ensure your scholar is completing the material for both Math and ELA. The expectation is that scholars should bring this work with them when schools reopen to review with their teacher. If you do not have access to a printer, completing the work on paper is fine. Please reach out to your teacher with any questions. Public Prep will continue to communicate additional information via email and Kinvo.
