Business Administrator/Board Secretary

March 22, 2020

Dear Edison School Community,

As we enter the second week of our remote learning program, I am so proud of how all the members of our school community came together so quickly to provide meaningful learning opportunities for our students. I am also confident that this will continue to evolve and refine as we all become more acclimated to our new instructional paradigm. Our entire administrative team, teachers, and staff continue to work tirelessly behind the scenes to make this a success.

I also want to encourage everyone to follow the protocols established by our government and medical professionals to help “flatten the curve” of the spread of the Coronavirus. For the well-being of your family and our entire community please practice social distancing and limit your potential contact with those outside your immediate family. These are difficult times for all of us, and we will get through this TOGETHER. As a show of community unity and to demonstrate that we continue to *Shine Bright* in Edison despite these trying times, I am asking that our entire community keep their porch lights on every Sunday evening through Monday evening for the duration of our remote learning program. What a great homage to our town’s namesake as well.

Our community is stronger than this virus!

Please continue to check our website regularly for updates.

Sincerely,

Bernard F. Bragen, Jr., Ed.D.
Superintendent of Schools

Nothing Less Than Excellence
