

Instructions to access at home learning programs:

*For **Nearpod** access, go to Nearpod.com, or click on Nearpod under student resources on Snow Horse's webpage. Enter the code listed to access the lesson.

* For **Imagine Language & Literacy** access, click on Imagine Learning under student resources on Snow Horse's webpage, then click on Language & Literacy. You can also access through Clever.

*For **Quizlet** access, go to quizlet.com, in the search box type MMMerrill1. Click on MMMerrills1 (has a butterfly picture) and then find the Quizlet assigned to work on. You can practice flashcards, games, or any other activities. (You must click on flashcards under study to be able to access all the cards.)

*For **Mystery Science** access, go to mysteryscience.com and search the title of lesson. Click on the lesson and watch the videos and discuss questions with parent. If you have the materials to complete the activities or extras, please do them.
