

**Math:**

Complete Pearson WB 407-417 (\* Refer to last weeks video for help if needed)

**Language Arts:**

Culminating Technology Project

Students will create and write about a possible new piece of technology that can be used in the next 10 years. Presentations will be made when school resumes.

Step #1 Brainstorm Idea & Sketch Idea

Step #2- Write a 2 paragraph essay using the following format:

Paragraph #1- Introduce the technology. (What is it?) What does it look like and what is it used for?

Paragraph #2- Opinion. What are the risks and benefits of this new technology/product? What type of people would most likely use this? Why?

Step #3- Build or draw a model of the technology. Use common items at home if you are building a model.

- Project will be due when school resumes.

**Social Studies:**
