## Objectives

Objective / I Can:

- I will be able to identify sports played in Spanish speaking countries.
- I will be able to talk about sport in Spanish
- I will be able to identify some cognates in the sports vocabulary

## Activities

Student Activities:

Students will complete a translation activity on chapter 5 Los deportes (the sports)  
Students will then make a list of **10** cognates found in the vocabulary list.

1. Using a dictionary, computer or phone student will complete translations in the word document provided by teacher.
2. When done with translations move to the next page and create a list of **10 cognates**, remember students' cognates are words in both languages English and Spanish that sound almost the same and mean the same. Example: Family and Familia. The list of cognates has to have on the right side the word in Spanish and on the left the word in English.
3. You will then submit this completed document to the assignment named **Vocabulary activity 1 on teams**.
