

## Activities to Practice Sight Words at Home

**Popsicle Sticks:** Write the sight words on popsicle sticks. Write BANG on a couple of sticks. Put them in a jar. Pull them out one by one, read the word. If you pull BANG, you have to put them all back in the jar.

**Magnetic Letters:** Use magnetic letters to build words.

**Sight Word Hunt:** Search for and read sight words in magazines, books, newspapers, etc.

**Shaving Cream:** Write the words in shaving cream on the table.

**Flashlight Tag:** Find sight words on the wall.

**Playdoh:** Use playdoh to form the letters and build the sight words.

**Legos:** Use dry erase markers to write sight words on the side of legos, and place them in a pile. Call out a word, have your child find the lego with that word, and add to the tower.
