Hello First grade students and families!! Welcome to our Education Outreach Program. We look forward to working with you and making this transition as easy as possible. Please be sure to check the LPISD website daily for updates.

This first week will be focusing on ensuring that all students are able to log in to the necessary websites. While your student is in the site, allow them to explore the website or program to get comfortable using it. Please let your student's teacher know as soon as possible if you are unable to log into a program.
