Members of the public are welcome to participate in the meetings of the Citizens' Oversight Committee (COC). If a member of the public desires to address the COC on an item, that individual needs to complete a speaker request form. The COC Chairman will recognize those who have filled out a speaker request form in the order in which they are received. If an individual desires to address the COC on an item on the Agenda, the speaker, at his/her option, may speak immediately or wait until the item is considered. The COC requests that speakers refrain from personal comments and criticisms regarding employees, COC Members, and/or visitors, by name or innuendo during Open Session. The COC Chairman may limit the time of presentation to three minutes per speaker, per subject, and a maximum of twenty minutes for each subject. No action may be taken by the COC on matters not on the Agenda unless Government Code 54954 is evoked by the COC.

The District appreciates the public's assistance in complying with safety regulations. In accordance with Board Bylaw 9324, COC meetings may be audio recorded.

Any individual who requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting should contact the Superintendent's Office in writing.

Materials related to an item on this agenda submitted to the COC after distribution of the agenda packet are available for public inspection in the Superintendent's Office at 9700 Las Tunas Drive, Temple City, during normal business hours.
