

8TH GRADE

KEEP YOUR BRAIN ACTIVE!
STAY READY!

First: GET CONNECTED IF YOU CAN!

Log in to your
Microsoft Account

Connect to your
campus and class teams!

Do you use Kurzweil?
Connect [here](#).

Then: WHAT CAN YOU DO WITH TWO HOURS PER DAY?

- Read for 20 minutes a day.
 - Option 1: Read a book you have at home. It should be appropriate for your grade level.
 - Option 2: If you don't have a book at home, read a short fable [found here](#).
- Log onto <https://www.brainpop.com/english/> (username and password: yesprep2020) Then, choose a category and topic that interests you. Watch the video, play the games, and take the quiz.
- Students in Reading Intervention: Log into MAP Skills. Complete any tasks assigned to you.

- If you don't have your calculator, download [TI-Nspire CX software](#) for your laptop.
- Go to [Mangahigh.com](#) to practice graphing linear equations. Start with recognizing straight-line graphs and draw straight line graphs using $y = mx + b$.
- Visit [Khan Academy](#) to practice solving equations with variables on both sides. Begin by watching the video: "Why we do the same thing to both sides" and complete the practice problems.

- Log onto BrainPOP.com/science (username and password: yesprep2020).
 - In the Science videos, find videos on the topics listed below. Watch the video as a refresher, and then play the games and take the quizzes.
 - Recommended videos: Forces, Newton's Laws of Motion, Periodic Table of Elements, Moon Phases, Tides, Solar System
- Follow tinyurl.com/YPSTAAR to quiz yourself on all the material you've learned so far this year. Practice until you get an 80% or higher. Use your PLAN for GR8ness (pages 47-60) to review any topics if extra help is needed.

- Pick a topic from this [list](#).
 - Watch the BrainPOP video and then complete the review quiz (username and password: yesprep2020).
 - Read the Newsela article and complete the quiz (username and password: yesprep2020).

- Physical Education: Choose 3 out of the [14 Daily Activity Challenges](#) from the Cooper Institute to complete. When you have completed a Activity Challenge mark it off with an x on your fitness tracker. Challenge yourself to complete a new set to 3 Daily Activity Challenges every day! Stay active so your body can keep up with your brain!
- CTE: Watch [How to Take Cornell Notes](#). Then, watch [Digital Citizenship and You](#), using the Cornell Notetaking method to capture important information.

- Click in this [link](#) that will take you to all World Languages courses.
