

# 10TH GRADE

KEEP YOUR BRAIN ACTIVE!  
STAY READY!

## First: GET CONNECTED IF YOU CAN!

Log in to your  
Microsoft Account

Connect to your  
campus and class teams!

Do you use Kurzweil?  
Connect here.

## Then: WHAT CAN YOU DO WITH TWO HOURS PER DAY?

- **Current Events Snapshot:** Navigate to this [website](#) and read two current event articles of your choice. Then listen to the articles you just read via the audio link. After that, you may watch the accompanying video and take the attached comprehension quiz. Great job!
- **Grammar Practice:** Watch [this video](#) on sentence structure, punctuation and conjunctions. Then, write a journal passage on the topic of your choice. Edit your writing for proper comma usage. Be sure to include at least two subordinating conjunctions. Possible journal topics:
  - How was your spring break?
  - How has hand-washing made a comeback and why is it so important?
  - How can social distancing strengthen or weaken family bonds?
  - How can mindfulness ease the stress that social distancing may cause?

For students enrolled in Geometry, Algebra II, PreCalculus, AQR, Calculus AB, Calculus BC, or Statistics, follow [this link](#) to your course specific options.

- Chemistry (more detailed instructions can be found [here](#))
  - Watch the videos and complete the provided practice problems on [Khan Academy](#) to review what you learned in Unit 7 or prepare yourself for Unit 8.
  - Pick one of the simulations [here](#) or [here](#) and investigate the chemistry illustrated in the simulation.
- AP Biology: For students enrolled in AP Biology, follow [this link](#) to your course specific options

- For students enrolled in World History, follow [this link](#) to your course specific options.
- For students enrolled in AP World History, follow [this link](#) to your course specific options.

- Physical Education: Choose 3 out of the 14 [Daily Activity Challenges](#) from the Cooper Institute to complete. When you have completed a Activity Challenge mark it off with an x on your fitness tracker. Challenge yourself to complete a new set to 3 Daily Activity Challenges every day! Stay active so your body can keep up with your brain!
- CTE: Watch [How to Take Cornell Notes](#). Then, watch [Digital Citizenship and You](#), using the [Cornell Notetaking method to capture important information](#).

- Click on [this link](#) that will take you to all World Languages courses.
